

VIBE KIDS P1-P7
13th August 2020

Hey parents!

Although we are not meeting at church this Sunday, Vibe Kids is still on and is coming to you right in your very own home! We hope you have fun with it- we love you and are praying for your family today!

Overview of Today's Lesson:

THEME: In the Lead: Go make a difference

MAIN POINT: 'Fight evil and make a difference!'

BIBLE STORY: Book of Nehemiah

MEMORY VERSE: "Don't let evil conquer you, but conquer evil by doing good". Romans 12:21 (NLT)

BREAK THE ICE! | GAME TIME

Find a comfy place in your home to get together as a family. Get some snacks and get ready to enjoy this time together! Let's start off with a game!

What time is it Mr Wolf?: This is one of our favourites at Vibe Kids! Have the Wolf stand 20 feet away from the other kids with their back turned away. The kids say, "What time is it Mr. Wolf?". If the Wolf says 'five o'clock', the kids take five steps forward. This continues until the Wolf says "Dinner time!" The Wolf chases the kids back to the starting line. The first kid that gets caught by is the Wolf for the next game!

LET'S PRAISE! | WORSHIP MOMENT

Let's get into a time of worship! Take a moment to stand/stretch and then go ahead and play some worship music. Have fun with it! We love to dance, jump, raise our hands, close our eyes during worship in Vibe Kids- whatever way you want to engage in worship as a family! Here are some songs to choose from:

NOW LET IT SINK IN! | MEMORY VERSE

Time to get God's Word deep into our hearts. Memorising scripture is so important to knowing His ways and having wisdom for everyday situations. You can check out the actions again and practice these while saying the verse! (9:30 on video). If you want to make a game out of it, check the link at the end of the document for some ideas!!

Memory Verse: "Don't let evil conquer you, but conquer evil by doing good". Romans 12:21

Have a quick stretch break or snack, then come back together to talk about what we learned in the video.

GO DEEPER! | ACTIVITY AND DISCUSSION

Time to go deeper! **You'll Need:** sticky notes, markers and paper. **Say:** We're going to build a wall to make a difference like Nehemiah did. These sticky notes are your bricks. Think of some evil, bad situations that bother you. Write or draw good things you can do make a difference.

1. Kids **draw or write** good things on 5 "bricks" each.
2. Kids **place** "bricks" on paper to build a "wall."

Choose a question to ask during the activity:

- What are you writing on your bricks?
- What do you think would happen if we did the things we wrote on those bricks?

Now pick a few discussion and action step questions following on from the memory verse and video:

- **When something evil is going on, what does the Bible verse tell us to do?**
- **How do you think doing something good can fight evil?**
- **When you need to make a difference, who can you ask for help?**
God; a trusted leader; etc.
- **How can you tell the difference between something evil and something that you just don't like?**
- **How does it help other people when you do good to make a difference?**
Others might be inspired to help out, too; you might solve some problems, etc.
- **How can you stay safe when the evil thing you want to change could hurt you?**
Talk to a trusted leader, first, and get help before you do anything.

Choose an action step question:

- **What is something good you're going to do this week to make a difference?**
- **Name a leader or a parent who can help you.**

Pray together

- 1.) Ask kids to share things they'd like to pray about.
- 2.) Write down their prayer requests
- 3.) Pray together over prayer requests.

Not sure what to pray? Pray this: God, please show us the good things you created us to do to make a difference. In Jesus' name, amen.
